Mill test report

Certificate number: NC-3176
Mill: Northline Sample Mill
Supplier: Field Sample Metals
Certificate date: 2026-01-14
Product description: Hot-rolled steel plate

Heat number: N-7316

Material grade: A36
Material specification: ASTM A36

Test	Result	Unit
Carbon (C)	0.18	%
Manganese (Mn)	1.05	%
Yield strength	324	MPa

Heat number: N-7317

Material grade: A36
Material specification: ASTM A36

Test	Result	Unit
Carbon (C)	0.21	%
Manganese (Mn)	0.94	%
Yield strength	316	MPa

Mill test report

Certificate number: NC-3176
Mill: Northline Sample Mill
Supplier: Field Sample Metals
Certificate date: 2026-01-14
Product description: Hot-rolled steel plate

Heat number: N-7321

Material grade: A36
Material specification: ASTM A36

Test	Result	Unit
Carbon (C)	0.19	%
Manganese (Mn)	NR	%
Yield strength	319	MPa

NR = not reported.
